## PROFESSIONAL SUMMARY

---

Civil Engineer with Major in Transport, Universidad de Concepción (Chile). MSc in Transport Engineering, Pontificia Universidad Católica (Chile). PhD in Behaviour Informatics at Newcastle University. 15-year experience in transport behaviour modelling, data collection and analysis, social surveys, and statistical modelling.

## EDUCATION

---

**Newcastle University** Newcastle upon Tyne, UK  
Ph.D. in Behaviour Informatics 2019 – 2024  
Thesis: Integrated diffusion and choice models for innovative transport alternatives: An application to the electric vehicle market.  
Supervisors: Prof. Elisabetta Cherchi and Dr. Quoc C. Vuong.

**Pontificia Universidad Católica de Chile** Santiago, Chile  
M. Sc. in Engineering Sciences, Transportation and Logistics 2014 – 2017  
Thesis: Modelling the behaviour of share taxi users in Santiago, Chile (*Maximum distinction*)  
Supervisors: Prof. Juan de Dios Ortúzar and Prof. Juan Enrique Coeymans.

**Universidad de Concepción** Concepción, Chile  
B. Sc. in Civil Engineering with Major in Transport 2001 – 2007  
Thesis: Effect of habit, attitudes and affective appraisal on modal choice and car use: an application to university workers. (*Maximum distinction*)  
Supervisor: Prof. Alejandro Tudela.

## PROFESSIONAL EXPERIENCE

---

**University of Southampton** Southampton, UK  
*Research fellow* 2024 – current  
Postdoctoral researcher working in Survey Futures, a large-scale research project funded by the UKRI-ESRC, and aiming to ensure large-scale social surveys in the UK can innovate and adapt in a changing environment.

**Elsevier** Remote  
*Administrative assistant* 2019 – 2024  
Assistant to the Editor-in-Chief of the *Transportation Research Part A: Policy and Practice* journal, Professor Elisabetta Cherchi.

**Self-employed** Santiago, Chile  
*Technical advisor* Newcastle upon Tyne, UK  
2018 – 2023  
Transport demand modelling; motorway traffic forecasting; analysis of public transport systems (buses and share taxi); estimations of fare evasion in Santiago's public transport systems; over 25 data collection studies for public transport systems, including origin-destination, stated choice, and satisfaction surveys.

**DICTUC S. A.** Santiago, Chile  
*Transport modeller* 2007 – 2018  
Technical advisor for studies involving traffic demand estimation, public transport, and stated preferences studies in the transport context for clients including LAMSAC (Lima, Peru), TYPASA (Santiago, Chile), the Ministry of Transport and Telecommunications (Chile), and the Inter-American Development Bank (IADB).

## TEACHING EXPERIENCE

---

**University of Southampton** Southampton, UK  
*Module leader: Dr. Olga Maslovskaya.* 2025  
Guest lecturer, module: STAT6136 (Survey Design and Data Quality, 1 term).

**Newcastle University** Newcastle upon Tyne, UK  
*Module leader: Professor Elisabetta Cherchi.* 2022 – 2023  
Demonstrator/Teaching Assistant in two modules: CE8423 (Transport Research Methods, 2 terms), CEG8419 (Transport Modelling and Forecasting, 2 terms).

**Universidad de Concepción** Concepción, Chile  
*Module leader: Professor Alejandro Tudela.* 2022 – 2023  
Demonstrator/Teaching Assistant, Transportation Engineering module (3 terms).

## PUBLICATIONS

### *Book chapters*

- **Domarchi, C.** & Ortúzar, J. de D. (2021) A geography of road transport in cities. In: Vickerman, R. (ed.) *International Encyclopedia of Transportation* Vol. 5., 300–305, Elsevier, New York.
- Alcaíno, P., **Domarchi, C.** & López, S. (2012) Time, poverty and transport: An exploration into mobility patterns contribution to poverty measurements. In: Carrasco, J. A., Jara-Díaz, S. & Munizaga, M. (eds.) *Time Use Observatory*, 9–27. Instituto Sistemas Complejos de Ingeniería (ISCI), Santiago, Chile.

### *Selected conferences — Transport behaviour*

- **Domarchi, C.**, Cherchi, E. & Vuong, Q. C. (2025) Forecasting the diffusion of electric vehicles: An agent-based model including household choice and social effects of coherence and communication. *13th Symposium of the European Association for Research in Transportation (hEART Conference)*, Munich, Germany, June (**submitted, speaker**).
- Iglesias, P., Ortúzar, J. de D., **Domarchi, C.** & Guajardo, F. (2024) Encouraging the adoption of electric cars in large Latin American cities: A stated choice study for Bogota and Santiago. *International Choice Modelling Conference 2024*. Puerto Varas, Chile, April.
- **Domarchi, C.**, Cherchi, E. & Vuong, Q. C. (2024) Heterogeneity in preferences for alternative fuel vehicles: A latent class choice model including psychological factors. *17th International Conference on Travel Behaviour Research (IATBR)*, Vienna, Austria, July (**speaker**).
- **Domarchi, C.** & Cherchi, E. (2024) Role of car segment and fuel type in the choice of alternative fuel vehicles: A cross nested logit model for the English market. *103rd Transportation Research Board (TRB) Annual Meeting*, Washington DC, January (**speaker**).
- **Domarchi, C.** & Cherchi, E. (2023) Changes in car ownership due to life events: Insights from the UK Longitudinal Survey. *11th Symposium of the European Association for Research in Transportation (hEART Conference)*, Zürich, Switzerland, September (**speaker**).
- **Domarchi, C.** & Cherchi, E. (2022) Joint models of car segment and fuel type choice for alternative fuel vehicles: application to the UK market. *16th International Conference on Travel Behaviour Research (IATBR)*, Santiago, Chile, December (**speaker**).

### *Selected conferences — Survey methodology*

- **Domarchi, C.**, Maslovskaya, O., Lynn, P., Ndebele, N., Fitzgerald, R. & Comanaru, R. (2025) Social surveys without field interviewers in the UK: An evidence review. *11th Conference of the European Survey Research Association (ESRA)*, Utrecht, The Netherlands, July (**accepted; speaker**).
- **Domarchi, C.**, Maslovskaya, O., Calderwood, L. & Brown, M. (2025) Retrospective measurement of life events in online self-completion surveys: An evidence review. *11th Conference of the European Survey Research Association (ESRA)*, Utrecht, The Netherlands, July (**accepted; speaker**).
- Maslovskaya, O., **Domarchi, C.**, & Smith, P.W.F. (2025) Knock-to-nudge methods to improve survey participation in the UK. *The 27th General Online Research Conference GOR25*, Berlin, Germany, March-April (**accepted; speaker**).
- **Domarchi, C.**, Maslovskaya, O., Lynn, P., Ndebele, N., Fitzgerald, R. & Comanaru, R. (2025) Social surveys without field interviewers in the UK: An evidence review. *The 27th General Online Research Conference GOR25*, Berlin, Germany, March-April (**accepted; speaker**).

## REVIEWING FOR ACADEMIC JOURNALS

---

- Reviewer for *Transportation Research Part A*, *Travel Behaviour and Society*, *Geoforum*, *Research in Transportation Economics*, *Transport Policy*, *Transport Reviews*.

## OTHER ACADEMIC ACTIVITIES

---

- **Session organiser**, two sessions at the 11th Conference of the European Survey Research Association (ESRA), Utrecht, The Netherlands, July 2025.
- **Conference organiser**, Survey Futures 1st Early Career Researchers Conference, University of Essex, 7th February 2024.
- **MSc Thesis Supervisor**, MSc (Social Sciences) in Social Statistics (Research Methods), Department of Social Statistics and Demography, University of Southampton, 2024–2025.

## AWARDS AND SCHOLARSHIPS

---

- Newcastle Overseas Research Scholarship (NUORS, 2019) at Newcastle University, UK, funding PhD studies.
- Leverhulme Postgraduate Research Studentship at Newcastle University, UK (2019), funding PhD studies.
- DICTUC Scholarship (2014), for professionals working in DICTUC S. A., supporting post-graduate studies.
- “Faculty of Engineering” Award (2007), for academic achievement, Universidad de Concepción.
- Universidad de Concepción Scholarship (2001) as one of the top 10 admission scores.

## SOFTWARE

---

- Generic software (advanced): MS Excel (including macros in Visual Basic), other Office components.
- Discrete choice software (advanced): Apollo (R), Pandas Biogeme (Python), Alogit, Larch (Python).
- Statistical software (advanced): R (and associated packages), Stata.
- Other (advanced): NetLogo, (user): SPSS, QGIS, LaTeX, NGene, Python.

## TRAINING

---

- Accredited Researcher, Office for National Statistics (UK), 2024–2028.
- Diploma in Statistics, Pontificia Universidad Católica (Chile), 2011.

## LANGUAGE

---

- Spanish (Native), English (Full professional proficiency).

*February 2025*
